Fellow White American!

We are enclosing a copy of the Party Program and a selection of our literature, as requested.

The American NAZI Party is the American section of the World Union of Free Enterprise National Socialists. We have similar NAZI Parties all over the world.

As the Communist and Zionist wars against the White Race and its Western, Christian civilization rage in every area of the globe, and as the Jewish-Communist-Integrationist fifth column sabotages our America from within, we have found that the only way to awaken our people to their deadly danger in time is to SHOCK them!

Because of the Jewish domination of our press, TV, movies, etc, and their un-American black-out of all right-wing, Christian and pro-White news and comment, ---ONLY THE SWASTIKA HAS THE SHOCK-POWER TO FORCE A WAY INTO THE PRESS AND FORCE AMERICA AT LAST TO THINK ABOUT WHAT IS GOING ON! They can't get away with the "silent treatment" with NAZIS marching and battling Jew terrorists in the streets.

Most of us in the American Nazi Party are veterans, and Commander Rockwell has served almost twenty years in the U. S. Navy, rising from enlisted man to the rank of Commander, commanding three squadrons in two wars and winning nine decorations. He was Honorably Discharged in 1960 after the Jews pressured the Navy Department.

To become an Associate Member of this elite group, you must be at least eighteen years of age, White, absolutely loyal to the Constitution and the United States of America, and dedicated to the White Race and the Western, Christian civilization which it alone developed.

The initiation fee is ten dollars, (which may be paid in installments). Upon receipt of this fee, application instructions and blanks will be forwarded.

We publish an action-packed NATIONAL SOCIALIST BULLETIN, bursting with American Nazi battle photos, illustrated news stories, cartoons, international news of Nazi activities and penetrating analysis of world events by THE COMMANDER. The Bulletin, along with regular party literature and instructions, is free to members. Otherwise, a full year is a bargain three dollars per year.

We make every effort to put members in touch with other members and sympathizers no matter where they live in the USA, and even overseas.

Even non-members can become FIGHTING crusaders in the struggle to save our White Christian American Republic, by making contributions to the Party War Chest, and by purchasing exciting, colorful NAZI literature for distribution to friends.

The present sweeping trend toward NAZISM is manifesting itself most strongly among the youth, much to our satisfaction. NAZI Distribution units and "Study Groups" have been set up in dozens of colleges and Universities across the Country in the last year, including even "red" Harvard, believe it or not!

Here at the Nazi Headquarters we have facilities and barracks where young men from all over America, -the cream of the elite fighters for the White Man, --are trained and organized into the fighting storm-troops who will one day save America and our White Christian Republic from the Jew-Bolshevist terrorists and race-mixers. We believe this can be done only by legal activity in the wide open, and defiance of the traitors who seek to silence us by violence and illegal pressures. In three years now, we have learned to survive the worst they can dish out, and we are prepared to drive all the way to leadership of our race and Nation by 1972!

All fanatically dedicated Americans who are prepared to give their lives, if necessary, to save our people and our sacred White Race from the swarming Jew traitors, liars and race mixers, are invited to come to National Headquarters and meet personally the history-making young men here who have struck stark terror into the guilty hearts of the criminal Jew-Communist-Zionist-race-mixers!

We can provide a job, room, board and endless inspiration and activity for all those willing to devote their lives to the protection of their race and their nation.

We hope the literature and information will prove helpful, and will look forward to hearing from you again very soon.

In Dedication to WHITE, CHRISTIAN AMERICA!

[] said he came home for funeral services for his brother although they have not been close for many years. [] lived with their mother, Mrs. [] who had over \$50,000.00 in savings and securities when [] moved in with her about ten years ago. [] is now attempting to establish some sort of care for his mother who is 83 years of age but has not been able to find any trace of the \$50,000.00 and has learned that [] had custody of the funds.

b6
b7C

In searching his brother's effects, [] said he was astonished to learn that the son, [], according to literature retained by his father, [] is National Secretary of the American Nazi Party, Arlington, Virginia. In this connection he furnished the enclosed material. [] said because of the estrangement that developed between his brother and himself he knows very little about [] except that he was an "impossible child" who was not able to finish high school and had an arrest record. He said [] did not appear for his father's funeral services and that on learning of his connection with the American Nazi Party he called [] mother, []. She told [] she suspected the association and indicated to him she had no sympathy for these sentiments.

b6
b7C

[] said he is seeking to have himself named Administrator of his brother's estate since he is interested in having any money he can recover returned for his mother's use. There are safety deposit boxes he has yet to examine but he is concerned that his mother's money may have been used by the brother to promote [] "success" in the American Nazi Party. He said he has also learned that his brother, [] was a member of some Yogi or occult religious group through a telegram he has found which was sent from Djarta, Indonesia on 4/10/61 and which advised "No operation comma Latihan surrender to God". This, he presumes, was in answer to a query of [] as to whether he should submit to an operation for the disease which killed him. The telegram was signed, [], and [] believes his brother could equally well have dissipated money in this interest.

b6
b7C

[] volunteered to furnish any additional information which he encounters concerning the American Nazi Party and said he would also advise if it appears that any considerable amount of money was channeled to that organization.

Dear [redacted]

Everything here going quite well as I am happily adjusting to my new surroundings. You must have read of our huge victory in Boston against the communist KKKKIS (WALTON TITMUS); the same will be repeated in Philadelphia, Penna. on Feb. 1, when KKKKIS opens there.

THE COMMANDER is working on a new leaflet which is simply terrific. It explains better than anything before, the reason for his successes as against the dismal failure of the rest of the Right-wing. When it's complete, I'll send you one. Also enclosed is something written several weeks back. Please read it - twice.

I am hoping that everything is going well for yourself and that the same is true of your associates as well.

There is one matter which is extremely important. This is concerning my father's bank book. He does not have it; nor does he have the receipt. I am sure the matter is due only to a slight oversight, however it is very important; and so I would greatly appreciate your dropping my father a note at - [redacted] Mass., advising him of the present situation. He is no doubt interested in learning the name of the bondsman, in addition to the name of the insurance company.

I know you are busy, and so I dislike placing other burdens in your already crowded schedule; but it is important.

Please let me hear from you occasionally as I will do likewise. And take care of yourself!

With National Socialist greetings to all, and - 152-13-1446

Re New York letter 2/23/62 and Chicago airtel with letterhead memorandum 2/27/62 in captioned matter.

Page two of New York letter sets forth that on 12/29/61 a letter from [redacted] Youth Leader, White Youth Corps, National Headquarters, P. O. Box 4657, Chicago 80, Illinois, was received at Parliament House, Suite 1015, 501 Fifth Avenue, New York City, requesting 100 copies of a circular entitled, "What's Behind Mr. Hate?", which concerns Rockwell, leader of the American Nazi Party. The letterhead of [redacted] letter indicated that one, [redacted] is Youth Organizer.

b6
b7C

Referenced Chicago airtel with letterhead attached sets forth that a confidential source furnished the Chicago Office information received from George Lincoln Rockwell that [redacted] are members of the American Nazi Party.

Chicago should ascertain whether or not an organization known as the "White Youth Corps" actually exists and is carrying on meetings. It is possible that this organization has now been incorporated into the American Nazi Party due to the information set forth in referenced Chicago airtel.

In this regard, it appears that Chicago has a very active branch of the American Nazi Party in its territory. Chicago is instructed to afford this matter appropriate investigative attention so that the background of members and their activities are ascertained. In addition, Chicago should insure that appropriate informant coverage is established on the activities of this group in its area. It will not be sufficient to rely upon the Chicago Police Department for coverage of the activities of this group.

NATION OF ISLAM, formerly referred
to as the Muslim Cult of Islam, also
known as Muhammad's Temples of Islam

In January, 1957, a source advised Elijah Muhammad has described his organization on a nationwide basis as the "Nation of Islam" and "Muhammad's Temples of Islam."

On May 5, 1961, a second source advised: Elijah Muhammad is the national leader of the Nation of Islam (NOI). Muhammad's temple of Islam No. 2,5335 South Greenwood Avenue, Chicago, Illinois, is the national headquarters of the NOI. In mid 1960 Muhammad and other NOI officials, when referring to Muhammad's organization on a nationwide basis, commenced using either "Mosque" or "Temple" when mentioning one of "Muhammad's Temples of Islam."

The NOI is an all-Negro organization which was originally organized in 1930 in Detroit, Michigan. Muhammad claims to have been selected by Allah, the Supreme Being, to lead the so-called Negro race out of slavery in the wilderness of North America by establishing an independent black nation in the United States. Members following Muhammad's teaching and his interpretation of the "Koran" believe there is no such thing as a Negro; that the so-called Negroes are slaves of the white race, referred to as "white devils," in the United States; and that the white race, because of its exploitation of the so-called Negroes, must and will be destroyed in the approaching "War of Armageddon."

In the past, officials and members of the NOI, including Muhammad, have refused to register under the provisions of the Selective Service Acts and have declared that members owe no allegiance to the United States.

On May 5, 1958, the first source advised Muhammad had, upon advice of legal counsel, tempered his personal statements and instructions to his ministers concerning the principles of his organization in order to avoid possible prosecution by the United States Government; however, he did not indicate any fundamental changes in the teachings of his organization.

RE: NATION OF ISLAM

On May 17, 1961, a third source advised: Muhammad had, early in July, 1958, decided to de-emphasize the religious aspects of the teachings of Islam and to stress the economic benefits to be derived by those Negroes who joined the NOI. This policy change, according to Muhammad, would help him acquire additional followers and create more interest in his programs.

On March 8, 1962, Detective [redacted]

b6
b7C

At 6:40 p.m., approximately 800 individuals representing the Americans for Democratic Action, Students for a Democratic Society, and the Youth Organizing Committee Against the Ultra-Right Rally began to picket outside Madison Square Garden, 50th Street and 8th Avenue, New York City, where a rally sponsored by the Young Americans for Freedom was held with approximately 18,000 individuals in attendance.

The above 800 pickets increased to about 1200 by 8 p.m. They picketed the Young Americans for Freedom rally until about 8:30 p.m. at which time they departed for St. Nicholas Arena, 69 West 66th Street, New York City, in order to attend a rally sponsored by the Americans for Democratic Action in opposition to the Young Americans for Freedom.

Detective [redacted] advised that [redacted] President of the Liberation Committee for Africa, 244 East 46th Street, New York City, had leased the Palm Gardens Ballroom, 306 West 52nd Street, New York City, in the name of the Youth Organizing Committee Against the Ultra-Right Rally, 244 East 46th Street, New York City. Young Americans for Freedom Rally. However, according to Detective [] plan to lease the Palm Gardens Ballroom had been cancelled in favor of the Youth Organizing Committee Against the Ultra-Right Rally (YOC) joining forces with the Americans for Democratic Action to attend the Americans for Democratic Action Rally at St. Nicholas Arena, New York City, and also picket against the Young Americans for Freedom Rally. b6 b7C

On March 8, 1962, a source, who has furnished reliable information in the past, advised that [] had stated on March 6, 1962, that he had circulated a press release on March 5, 1962, which set forth that the Liberation Committee for Africa was withdrawing from participation in any demonstration against the Young Americans for Freedom.

According to the source, [] stated that the reason for the Liberation Committee for Africa's withdrawal was the Americans for Democratic Action's takeover of his "brainchild," the YOC, and also because the Socialist Workers Party had secured domination of the YOC. [] also stated that some African nationalist groups based in the Harlem area, who had originally intended to picket the Young Americans for Freedom Rally, had lost interest because of the Socialist Workers Party's domination of the YOC and the non-appearance of Moishe Tshombe at the Young Americans for Freedom Rally. b6 b7C

The Socialist Workers Party has been designated by the Attorney General pursuant to Executive Order 10450.

On March 2, 1962, a second source, who has furnished reliable information in the past, advised that the Liberation Committee for Africa, 244 East 46th Street, New York City, has also used as a mailing address Post Office Box 303, Cathedral Station, New York City.

On November 27, 1961, a source advised that [] Public Relations Director of the NP, and LUKE DOMMER control the operations of the NP.

Detective [] advised that [] informed him that the NP was formed on September 21, 1961, "to fight Communism, anti-Christian liberals, and all those opposing the present form of our Constitution."

Detective [] advised that [] had informed him on April 21, 1961, that he, [] had been a member of the American Nazi Party (ANP) and had resided at ANP Headquarters in Arlington, Virginia, from about February 5, 1961, to March 15, 1961. FAIR PLAY FOR CUBA COMMITTEE (FPCC)

The April 6, 1960, edition of "The New York Times" newspaper contains a full page advertisement captioned, "What Is Really Happening in Cuba," placed by the FPCC. This advertisement announced the formation of the FPCC in New York City, listed various sponsors of the Committee and declared the FPCC intended to promulgate "the truth about revolutionary Cuba" to neutralize the distorted American press on Cuban affairs.

"The New York Times" edition of January 11, 1961, reported that at a hearing conducted before the United States Senate Internal Security Subcommittee on January 10, 1961, Dr. CHARLES A. SANTOS-BUCH identified himself as one of the organizers of the FPCC. Also, Dr. SANTOS-BUCH identified ROBERT TABER as a co-organizer of the FPCC and said TABER drafted the aforementioned FPCC advertisement. Dr. SANTOS-BUCH further testified that he and TABER obtained \$3,500 from the Cuban Government through the son of Cuba's Foreign Minister, which funds, along with about \$1,100 collected from supporters of the FPCC, paid for the cost of aforementioned advertisement in "The New York Times."

On October 3, 1960, a source advised that the Socialist Workers Party (SWP) in New York had become active in the FPCC, and that SWP members, in a recent FPCC election, had been able to remove several Communist Party members who were on the Executive Board of the FPCC and gain control of the organization. This source asserted that the SWP members believed that they had achieved a great influence in the course of the Cuban revolution through their control of the FPCC.

On February 10, 1961, a second source advised that PHIL BART, National Organizational Secretary and member of the National Committee, CP, USA, had reportedly stated recently that the FPCC had been captured by the Trotskyites, but that the CP had not given up in the FPCC.

The SWP and the CP, USA, have been designated by the Attorney General of the United States pursuant to Executive Order 10450.

On January 27, 1962, [redacted] Street, New York 33, New York, was at the offices of the Truth Seeker, 38 Park Row, New York City. [redacted] related that he had received a letter from [redacted] a 14 year old youth from Buffalo, New York, whom [redacted] described as an intelligent young Nazi.

b6

On January 29, 1962, a letter was received at Parliament House from [redacted] North Kansas City 18, Missouri, requesting literature.

On February 14, 1962, Detective [redacted] Bureau of Special Services, New York City Police Department, advised that Luke Dommer, member of the Nationalist Party (NP), advised him on February 8, 1962, that [redacted] Director of Public Relations for the NP had quit the NP. According to Dommer, other members of the NP were anxious to have [redacted] a self-admitted former ANP member, quit because they considered [redacted] to be too radical, too pro-Christian, and very offensive to Jewish supporters of the NP because of his anti-semitic attitude and remarks. According to Dommer, [redacted] will devote his efforts to investigating "left-wing groups and attending their meetings". Detective [redacted] advised that [redacted] had contacted him telephonically on February 9, 1962, and confirmed his resignation from the NP and informed [redacted] he would spend his time attending "concerts and art shows". CHRISTIAN EDUCATIONAL ASSOCIATION ...

"Common Sense" is a bi-monthly tabloid size newspaper, published by the Christian Educational Association, 530 Chestnut Street, Union, New Jersey. The last statement of ownership appeared in the October 1, 1959, issue and listed the owner and publisher as the Christian Educational Association and Editor as Conde Mc Ginley. Each issue of the publication contains a box which indicates that Mc Ginley is the Editor and that it is published by the Christian Educational Association.

The Committee on Un-American Activities of the United States House of Representatives on December 17, 1954, published the "Preliminary Report on Neo-Fascist and Hate Groups", in which their growth and objectives are discussed at length. This report indicates that "Common Sense" has a fluctuating circulation of between 30,000 and 100,000 copies an issue. The report described the paper as a "hate sheet", the vehicle publishing "some of the most vitriolic hate propaganda ever to come to the attention of the Committee".

According to the report, "Common Sense" depicts Communism as "Judaism" and devotes its pages almost entirely to attacks on the Jewish and to a lesser extent the Negro minorities in the United States. Sympathy for the former Nazi Government in Germany is also shown in the paper.

The Party's main function is distribution of the "National Renaissance Bulletin" on a monthly basis and distribution of pro-Arab literature obtained from official Arab establishments in New York City.

The source further advised that the headquarters for the NRP is located in the residence of James H. Madole at 10 West 90th Street, New York City.

The Un-American Activities Committee of the United States House of Representatives in a Preliminary Report, dated December 17, 1954, stated "National Renaissance Party activities and propaganda are clearly subversive and un-American".

March 3, 1962

On Friday, March 2nd, 1962, a Freedom of the press Rally was held, ad advertised in the midweek edition of the Worker, Vol XXVII, No. 15, dated February 20, 1962, at Carnegie Hall, 57th Street and 7th Avenue, New York City. (see notice of this meeting attached to report). A detail of New York City Policemen were stationed about the outside of the building about 40 in all. admission charged at the door was \$100 per person and as announced during this meeting 1500 persons were in attendance.

The meeting was called to order at 8:00 p.m. by its chairman JAMES LUSTIG. Business Manager of The Worker. a recorded version of The "Star Spangled Banner" was played and by actual count at the termination of this record the applause of only three people present was heard.

JAMES LUSTIG announced the purpose of this meeting was to gather support both moral and financial for the continued publication of The Worker. He said the Worker's Policy was for greater employment, peace, Medical care for the aged, greater Social security benefits, Disarmament and peaceful co-existence with the U.S.S.R. He claimed the Department of Justice and attorney-general ROBERT KENNEDY would be better off in prosecuting and jailing the members of the "American National Party" who were holding an open meeting on the North side of 57th Street, NYC, at the time the Freedom of the Press rally was in progress. He also called for the jailing of the members of the American Nazi Party who were in evidence on 57th Street in opposition to this rally. He stated in spite of the attorney-general and the Department of Justice the Worker would continue.

Chairman LUSTIG introduced a young pianist [redacted] PH who gave a recital of two songs, the second of which as announced was the "Revolutionary Etude". LUSTIG stated that [redacted] PH had won a grand prize in Mexico in 1958 and had been sent on tour by Our State Department.

b6
b7C

NY -97-1691..

Chairman LUSTIG introduced, HERBERT APTHEKER, who is described in the column of JACK LOTTO in the New York Journal American on Page 11, March 3rd, 1962, edition, as follows (HERBERT APTHEKER of New York, one of the participants at last years leftists "Japan Council Against A & H Bombs" meeting is a member of the National Board of the U.S. Communist Party.) (see attached notice to this report).

HERBERT APTHEKER opened his remarks by stating that Attorney General ROBERT KENNEDY didn't have to go 8,000 miles to Japan to debate with its people he could very well stay home and debate the issues concerning the Worker with JAMES JACKSON or himself, APTHEKER. He said that "Political Affairs" was next on the attorney Gernerals list but before this would happen "my right arm would wither away, my tongue would cleave to the roof of my mouth and my blood would run cold in my veins".

A number of dancers were announced a group of 8 youthful people 4 boys and 4 girls accompanied by a piano-accordionist. Their spokesman said they would dance the native dance of the Ukraine. The final dance was called a Russian Challenge Dance. They were advertised in the Worker as the Dnipro Dançers.

Chairman LUSTIG announced a collection and the sum of \$4,631.00 was collected.

A disturbance broke out on the right hand side of the hall and after a few blows were struck four or five people were escorted from the hall by uniformed members of the New York City Police Department. These people had voiced opposition to some of the remarks of the chairman JAMES LUSTIG.

A song recital was then given by the Philadelphia Youth Chorus, a group of about twenty.

NY 97-169

Chairman LUSTIG introduced JAMES JACKSON Editor of the Worker, who read a telegram of moral support that he had received from JAMES ARONSON Editor of the "National Guardian". ARONSON'S telegram assured JACKSON that the National Guardian was behind the Worker 100%. Plans would be made for all out support for the Worker.

JACKSON spoke of the intervention of the United States Government in the internal affairs of Cuba. He said that Cuba was the Pearl of the Antilles a beacon light for the people of Central and South America in their struggle for self determination. He praised the work of Doctor DU BOIS in America and spoke of the genius of well known communists in Mexico, Chile, and Argentina and of their contributions to mankind. He claimed that America was interested in people gaining their freedom throughout the world but was denying that right to its own people here in America.

Chairman LUSTIG then called for a resolution which was adopted to send to President JOHN KENNEDY a telegram voicing opposition to his resumption of nuclear testing and calling for greater co-operation between the space agencies of America and the Soviet Union.

Meeting adjourned at 10:55 p.m.

RE: AMERICAN NAZI PARTY

On March 15, 1962, a source who has supplied reliable information in the past said that [redacted] self-admitted member of American Nazi Party (ANP), said George Lincoln Rockwell, self-designated leader, ANP, was flying from Jacksonville, Florida to Arlington, Virginia on March 15, 1962. Rockwell was coming to Arlington, Virginia after being on a speech making tour. He was returning on the 15th of March because he wanted to accompany [redacted] to a Civil Service Board hearing at Washington, D. C. which was to take place at 2:30 p. m. on March 15. [redacted] further informed the Civil Service Board hearing was being convened so [redacted] could apply for reinstatement at Army Map Service, Washington, D. C. [redacted] said [redacted] had been fired from his position at the Army Map Service during February, 1962.

Source said [redacted] further informed that George Lincoln Rockwell was able to make his speech making tour as a result of an initial donation of \$500.00. [redacted] said Rockwell was in Chicago on February 25; he was in Los Angeles on March 3; and he was in Houston, Texas about March 12.

Source said [redacted] supplied the additional information that [redacted] and [redacted] are in New York City where they are attempting to recruit new members for ANP. [redacted] alleged that [redacted] are living with [redacted] mother at New York City.

On March 15, 1962, Deputy U. S. Marshal [] [] Richmond, Virginia, supplied the following information:

My dear Mr. Morris:

I noticed in the World Telegram newspaper of March 19 that the Department of Parks approved a site for George Lincoln Rockwell Good Friday Rally in Jeanette Park, Fulton Fish Market.

It is indeed VERY POOR JUDGMENT on your part to permit such Anti-Americanism to take place. Perhaps you should attend this meeting, where no doubt there will be great violence, and it would be nice to see you on the platform together with George Lincoln Rockwell and the both of you hit in the face with nice big fish.

This source further stated that Rockwell and [redacted] intend to make an appearance at the University of Chicago, Chicago, Illinois on April 1, 1962, in order to fulfill an invitation extended to Rockwell to speak at that university on the above date.

The source further advised that Rockwell will reportedly make an appearance in New York City on April 11, 1962, in answer to an invitation to address a group of students at Hunter College, New York City, on that date. According to the source, Rockwell expects to be arrested when he appears in New York City on April 11, 1962, since there is still an outstanding warrant for his arrest in New York City. In the event Rockwell is arrested, either [redacted] or [redacted] both ANP members, will serve as his substitute at Hunter College.

"Dear Jim,

"I thought its about time I dropped you a line as I've heard so much about you that I feel as tho we've already met. [redacted] gave me your address about a month ago but I never got around to writing as I've been so busy lately and things are really moving fast up here.

"[redacted] said you were interested in receiving some of our literature so I'm inclosing 25 sample cards of our second publication. Our third card is ready to roll but we've developed trouble with the duplicator so it will be held up for another week.

"I just recently received 600 Party programs from Arlington and I'd send you some but it would be foolish to send it until I find out what sort of activities you are engaged in and what sort of literature you are interested in.

"Are you in close contact with Arlington? None of us up here have joined the party formally yet but a few of us will soon be rectifying that situation.

"We have about 10 active people here in the Springfield area and several more scattered around the state. So far all we've been engaged in is literature distribution, pressuring bookstores to order This Time The World, and writing letters to local newspapers.

"Well I'll sign off for now as it's getting late and I have to go to work at 6 in the morning.

"Lets here from you soon!

"Seig Heil!

Re: American Nazi Party
Racial Matters

On March 28, 1962, a source, who has furnished reliable information in the past, advised that he had received information that George Lincoln Rockwell, leader of the American Nazi Party (ANP) had addressed a letter to the Commissioner of Parks, New York City, in which he declined to accept the permit to speak at Jeanette Park, Coenties Slip, Front and South Streets, New York City, on April 20, 1962.

In this letter, Rockwell stated that he understood the problem involved in speaking in Union Square Park, New York City, on a business day and requested that he be furnished with a permit to speak at Union Square Park on any of the following Sundays in 1962: April 8, April 22, April 29 or May 13.

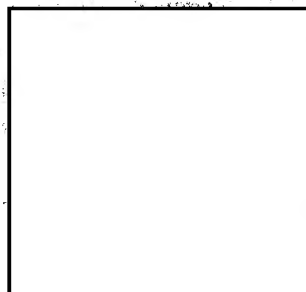

The source further advised that Rockwell had mailed numerous copies of his letter to other parties such as the Police Commissioner, Anti-Defamation League, New York Herald Tribune and New York Times.

On March 28, 1962, Detective [redacted] Bureau of Special Services, New York City Police Department, advised that he had determined that the Police Commissioner had received a copy of the above-mentioned letter. Detective [redacted] further stated that no action had as yet been taken on Rockwell's request for the use of Union Square Park, New York City on Sunday.

A characterization of the ANP is attached hereto and sources mentioned therein have furnished reliable information in the past.
